

# Restricting which schools can enter a competition

In EnterNOW, you can restrict which schools/clubs can enter a competition. By default, every competition is Open entry, which means any school that has a login for your site, can enter.

When a school logs in, and they are not on the restricted list, they will not see the competition at all.

When you are logged in as an Administrator, you will see a badge below the competition, saying ENTRY RESTRICTED
